PROFILE

Hi! I'm **Muhammad Shoaib**, a passionate and reliable freelancer with expertise in **Graphic Design, Content Writing, and Digital Marketing**. With over **1 year of experience**, I specialize in delivering high-quality, on-time projects tailored to each client's unique needs.

I take pride in clear communication, attention to detail, and a client-focused approach to ensure your project's success. Whether you need help with a small one-time task or a long-term collaboration, I'm here to bring your ideas to life.

I have also gained hands-on experience in managing **Shopify stores**, including product uploads, store customization, and order management. I enjoy creating **user-friendly ECommerce stores** that help businesses grow online.

Recently, I started learning **HTML**, **CSS**, and **JavaScript**, and I enjoy building simple and responsive web pages. I'm passionate about improving my coding skills and exploring new technologies. I'm looking for opportunities to practice and grow as a **web developer** by working on real projects and learning from experience.

WORK EXPERIENCE

Ecom Solutions — 2025- PRESENT

Shopify Store Manager

- I have been working on Shopify as a freelancer, where I manage and customize online stores for various clients. My work includes setting up Shopify stores from scratch, adding and optimizing product listings with engaging descriptions and SEO keywords, and ensuring a smooth user experience through theme customization. I also handle order processing, inventory updates, and customer support to maintain client satisfaction. Through this experience, I've developed strong skills in ECommerce management, product research, and digital marketing strategies to help businesses grow their online presence.

Oriel Crop Sciences — 2025- PRESENT

Accountant

- Worked as an Accountant at Oriel Crop Sciences, where I was responsible for managing daily financial transactions, preparing and maintaining financial reports, and ensuring compliance with accounting standards. I handled bookkeeping, expense tracking, and account reconciliation to support smooth business operations. This role enhanced my skills in financial management, data accuracy, and organizational efficiency within a corporate environment.

H Pattern Tech — 2023 - 2024

Lead Generation Specialist

- I worked as a Lead Generation Specialist at H Pattern Tech from 2023 to 2024, successfully bringing in around 20clients. My role involved identifying potential leads,reaching outto businesses, and building strong connections. I developed skills in marketresearch, client communication, and sales strategy, helping the company grow its client base.

Al Rehman Battery Center — 2022 - 2023

Accountant

- I have worked as an Accountant at Al Rehman Battery Center, where I was responsible for managing daily financial records, maintaining accurate accounts, preparing financial reports, and ensuring smooth accounting operations. This experience has strengthened my skills in bookkeeping, attention to detail, and financial analysis, while also improving my ability to work effectively in a fast-paced business environment.
